*Are you getting the best deal from your coin dealer?
Yes, if you deal with Steve Ivy.*

Dear Customer:

We are pleased to announce the addition of two new sales representatives to our staff this month. They are Mr. James DiGeorgia and Mr. Gary Carlson. Both James and Gary have extensive backgrounds in Numismatics, having previously worked with Bowers & Ruddy in Los Angeles. We welcome these fine numismatists, and are sure their addition will enable us to continue to provide the best customer service in the industry.

The month of October continued the upward trend of the last several, with respect to both sales and prices. The next several months represent a substantial buying opportunity at price levels just off the market bottom, and with our negotiated pricing policy, the opportunity becomes even more attractive. If you've been waiting for the market to bottom out, you're already a couple of months late. Give us a call as soon as possible, even if it's only to discuss the market and your current needs. We'll be glad to help.

Sincerely,

Michael W. Sherman
General Manager

We keep the tradition alive.

BUST HALF DIMES

1795 MS (63) Valentine-4. (R-3). Steel-gold toning atop semiprooflike surfaces. An exceptional strike for the date with the obverse showing more hair detail than usual and the stars displaying full radials. An outstanding type coin.	10,500.00
1800 MS (65) V-2. The famous Libekty variety. (R-3). Late die state with an unlisted rim bulge from to the left of the date. Alluring green pastels, russet and electric blue hues have formed on the obverse; the reverse features deep rose-gold coloration. The strike is, for the date, sharp. Most of the milling is present as are all of the legends. An important coin.	24,500.00
1829 MS (63) V-6; medium date, large 5C. Rose-grey with a peripheral ring of sunset-gold toning on the obverse. Well struck for the variety; all of the stars show full radials.	875.00
1830 AU (50) V-6. Golden-grey.	250.00

BUST HALF DIMES

1830 MS (68) Superb! Unlisted die state; "V-7b." Struck from lightly clashed dies; obverse break from rim to star one to breast. Delicate gold toning atop extremely choice surfaces. Especially sharp with a high obverse rim, fully defined hair and bold star radials. Important as both a new sub-variety and a type coin, this piece represents one of the most exciting coins in this offering.	4,750.00
1833 MS (63) V-3. Iridescent splashes atop semiprooflike surfaces. A sharp, even strike with an especially bold obverse. Not very far from the Gem level and, as such, a desirable type coin.	875.00

SEATED LIBERTY HALF DIMES

1838 MS (65) V-3. Partial Drapery. Golden centers framed by sedate rainbow crescents. Basically well struck with the head and stars up. This variety, which is the result of die clashing from the reverse, should be listed in the Redbook; possibly even collected as a distinct type coin.	1,950.00
1843 MS (65) V-6. Strongly repunched date. Prooflike with scattered areas of frost. Light golden toning covers very clean, undisturbed surfaces. An excellent strike with a full head and wreath. An extremely rare variety in Mint State. To the best of our knowledge, this is the finest known. An important coin.	2,050.00
1850 MS (67) Superb! Brilliant centers framed by green peripheries. Fully struck; even at the head and cap. An underrated date; many were melted circa 1853.	2,250.00
1852 MS (67) V-1. Superb! Rose-gold at the centers; peacock-blue splashes at the peripheries. Sharply struck with an obverse wire-rim and a virtually full head. A very underrated date in Mint State; many melted in 1853.	2,250.00
1853 MS (63) With Arrows. A bit weak at the centers; otherwise choice and pleasing.	675.00
1853 MS (65) With Arrows. Glittering golden surfaces show virtually no marks. Well struck and, overall, far nicer than usual for the date. A premium type coin.	1,925.00
1860 MS (65) Light-to-medium iridescence atop unblemished satin surfaces. A nice type coin.	1,500.00
1861 MS (65) A sharply struck, extremely clean piece with vibrant color and luster.	1,500.00
1862 Proof (65) Deep pastels below slate grey surfaces. Fully brilliant and original in every respect. Scarce and underrated as a Proof.	1,650.00
1864 Proof (67) Superb! Burnt-orange and lime obverse; flecked russet reverse. An exceptional example of one of the rarest and most coveted dates in the series.	2,450.00

SEATED LIBERTY HALF DIMES

- 1869 Proof (65) V-2. One of the first Proofs struck from this die as evidenced by the still-strongly repunched date and stray engraver's lines in the fields. Lavender and orange obverse; green and lavender reverse. Attractive and scarce. 1,625.00

- 1914 Proof (68) Wonder Coin! Extremely bright matte finish as is typical of true Proofs of this date. Fully rounded borders and an incredibly well-defined strike. Scarcer than believed and underrated due to constant misrepresentation. This and the 1915 would make an interesting display pair. 3,750.00
- 1914-S MS (65) Very well struck and completely free of the oft-seen carbon which plagues this scarcer date. 540.00
- 1915 Proof (65) Reportedly, 1,050 were struck. However, we feel that this figure is far too high; especially when compared with the number offered for sale. We have seen few 1915 Nickels which were, without a doubt, Proofs. The lovely, unspotted specimen we offer here prominently displays the diagnostic characteristic found on all Proofs: a diecrack which runs across the Buffalo's body. A rare and attractive coin. 2,450.00
- 1916 Proof (65) Only 600 struck. Light golden toning atop unblemished surfaces. Diagnostically correct as evidenced by the sharp LIBERTY, rounded borders, surface qualities and overall sharpness of strike. A very rare coin. 3,250.00

BUFFALO NICKELS

- 1935-D MS (67) Superb! We've hyped this date of late and we still feel that it is scarce in fully struck Gem condition. This specimen is the finest we've ever seen with natural toning and a bold strike. A true contemporary scarcity. 375.00

BUST DIME

- 1807 MS (65) An extraordinary example of this unappreciated date. The strike is actually quite strong and even with most of the left stars and UNITED discernible. The centers are very strong with the shield and hair fully defined. Some light clashmarks are present but they do not detract. Light golden-mauve toning is amplified by the full luster. This is the finest 1807 Dime to be sold in over two years. 16,250.00

TWENTY CENT PIECES

- 1875 MS (65) Prooflike. Rose-grey with intense iridescence outlining the devices. An outstanding strike with a full Eagle's breast, leg feathers and wingtips. A scarce date which is still readily acceptable as a type coin. 4,350.00
- 1878 Proof (67) Superb! Dramatic iridescent toning. In great demand on account of its Proof-only status and trivial mintage figure. This is a very difficult coin to find in its original state; too many have been vigorously scrubbed. We can not recall seeing a finer example of this date. . . . 5,750.00

BUST HALF DOLLARS

- 1830 AU (58) O-121. Large O's. (R-3). Flashy prooflike obverse; somewhat less flashy but still impressive reverse. Just the slightest rub is present on the obverse. We've seen vastly inferior specimens offered as Unc's. . . 180.00
- 1830 MS (63) O-104. (R-1). Small O's. Typical flat reverse as always seen on this variety. 900.00
- 1832 MS (65) O-106. Small Letters. (R-1). Golden-grey with lime and violet pastels at the peripheries. Extremely sharp at the peripheries; a bit weak at the left shield. A pleasing original coin that is truly Uncirculated. . . 3,450.00
- 1834 AU (55) O-104. Large Date, Small Letters. (R-2). Natural two-tone grey. 180.00
- 1837 MS (63) Reeded Edge. Repunched 7. Untoned and exceedingly lustrous. A few isolated marks consistent to the grade. Sharply struck. This is an unlisted variety which raises an interesting point. The coin is littered with die cracks so we can assume it is from a worn die. Thus, many of this variety must have been struck. Why has it gone unnoticed until now? Does anyone care? A fascinating coin. 1,500.00
- 1839-O MS (63) Struck from broken dies. Lustrous and brilliant. The peripheries are a bit flat but the centers are extremely sharp. A popular date/type coin which is not easy to locate in this grade. 4,250.00

LIBERTY SEATED HALF DOLLARS

- 1851-O MS (60) No Drapery. Fully prooflike. Struck from lapped dies which effaced 95% of the drapery and much of the area about Ms. Liberty's foot. Golden toned. A legitimately scarce date in Mint State and the first of this variety we've seen. 675.00
- 1853 MS (65) Arrows and Rays. Splendid satin surfaces touched by a blush of golden-orange toning. Extremely sharp with all details up. Especially noteworthy are the stars which show full radials. One of the most popular of all type coins. 8,400.00
- 1855-O AU (55) Second 5 recut right. Golden-rose pastels. Scarce, unlisted variety. 295.00

1795 EF (45) Bolender-1. (R-3). Flowing Hair; two leaves below wings. A perfect EF with warm grey patina atop undisturbed surfaces. Sharp for the type with strong centers and full denticles. No adjustment marks or rim dings. A most desirable Early Dollar.	4,500.00
1798 AU (50) Bolender-27. Close date, high 8. Heraldic Eagle. (R-2). Medium grey with orange and lavender undertones. An unusually clean piece which suffers none of the usual impairments. Struck on a full, nicely centered flan with some luster still present. Strong centers show full hair and shield detail. An exquisite, original coin which would be difficult to duplicate at double the price.	2,950.00

LIBERTY SEATED DOLLARS

1866 MS (63) Unlisted. Recut 18; the flag of the 1 is obviously doubled. Prooflike but an obvious business strike on account of the high placement of the date and doubling on the motto. Attractive pastel toning adheres to basically choice surfaces. A very rare coin as a business strike.	3,750.00

TRADE DOLLARS

1876 MS (65) Type Two. An extraordinary strike for the type with uncharacteristically bold detail on the eagle's legs and Ms. Liberty's head and breast.	3,150.00
1879 Proof (65) A super-flashy cameo with deep fields contrasted by frosted devices. This effect is further complimented by dark edge toning. High wire rims are present on both the obverse and reverse.	3,750.00
1883 Proof (67) A brilliant cameo example of the last readily available Trade Dollar. Untoned but completely original and never dipped. None of the usual hairlines and a bold strike with no flatness on the head.	3,950.00

PROOF MORGAN DOLLARS

1879 Proof (65) A full cameo with Ms. Liberty's frosted head set against deep, gold-toned fields. Original and choice with no hairlines or glaring marks. Only 650 net mintage; the figure of 1,100 in the "Redbook" includes those melted in 1879.	3,150.00
1903 Proof (67) Superb! Brilliant, unhairlined and fully struck. An achingly beautiful Dollar for the finest set.	3,950.00

GOLD DOLLARS

- 1851-C AU (55) Recut stars and mintmark. Unusual yellow-gold patina. Not much luster is present but there is wear visible only at the highest spots. Additionally, the coin is especially clean and attractive. An affordable Charlotte Gold Dollar. 1,550.00
- 1853 MS (63) 1,100.00
- 1853 MS (65) Exquisite satin surfaces touched by greenish-copper toning. 4,500.00
- 1853-C EF (45) Heavily recut letters. Typical green-gold color. Struck on a very attractive planchet. The only defect we note is a tiny flaw above MER. This and the other Charlotte Gold Dollars in this listing are remarkably clean coins. Choice for the grade with evident luster. Under-rated in high grades. 650.00
- 1855 EF (40) Type Two. 525.00
- 1855-C AU (55) Type Two. Perfect dies. Struck in deep yellow gold. Fully lustrous with semiprooflike tendencies on the reverse. Amazingly well struck for the date on a full, unimpaired planchet. Both the date and DOLLAR are full as is the milling. A very rare date, especially in this grade. Only two true Uncs. are known to us along with three (possibly four) AU's. Condition Census. 2,950.00
- 1860 Proof (65) Breen-2. 154 struck but a majority were melted at the Mint after going unsold. We estimate that less than 20 now exist and this may be amongst the two or three finest. In full brilliance and possessing extraordinary color, this lovely piece will satiate the desires of anyone wishing to possess an early Gold Dollar Proof. 8,750.00
- 1874 MS (63) 1,075.00
- 1882 Proof (69) Breen-1. Wonder Coin! Only 125 struck and many of the 40-50 survivors are drastically impaired. We have never seen a finer Proof Gold Dollar of any year. This coin has survived the ravages of time splendidly. 8,950.00

QUARTER EAGLES

- 1807 AU (55) Struck in yellow gold with very deep copper toning at the peripheries. Even sharper than usual for this date with particularly strong details at the right obverse. Luster adheres to the problem-free surfaces. A beautiful coin. 6,750.00
- 1826 AU (58) Breen-1. Recut date; erroneously referred to, for many years, as an overdate. The lowest mintage of any Capped Bust Left Quarter Eagle (only 760) and a great rarity with less than two dozen survivors. This specimen is highly lustrous and possesses a pleasing warm gold color. What little wear that is present is very even. None of the problems which plague pieces of this type are present. An extremely important coin. 16,500.00

QUARTER EAGLES

- 1835 AU (50) 650.00
- 1845 MS (63) Breen-4. Obverse and reverse cracks as described. (R-5). A virtual full strike and legitimately scarce as such. Somewhat prooflike surfaces show minimal marks and are toned to a mustard yellow hue. 2,450.00
- 1846-D AU (55) Breen-1. Recut date and mintmark. Full luster adheres to the banana-yellow surfaces. Some light marks are present on the obverse but none detract. What little wear this coin received was very even; mostly on the forecurl and hairbun. A scarce date which becomes very rare at this level. 1,950.00
- 1847-D MS (60) Breen-2. Possible overdate (1847/46). The apparent repunching to the left of the 7 does not physically match the 7. This leads us to believe that the underpunch may have been a 6. However, even under intense magnification the underpunch is not clean enough to claim with certainty that this is an overdate. The coin itself possesses exquisite deep yellow toning atop problem-free surfaces. Rare in this grade; even more desirable on account of the variety. 3,450.00
- 1848 AU (58) A very scarce date which is always overshadowed by the famous 1848 CAL issue. Diagnostic striking weakness on the eagle's right leg; otherwise sharp and extremely choice for the issue. 950.00
- 1850-O MS (60) Breen-2. Low date. Semiprooflike. Struck in deep yellow gold. Typically weak centers but, overall, a well struck example for the date. Obverse wire rim from 11:00 to 2:30. Quite rare in Mint State; no other strictly Uncirculated pieces have been offered in many years. 1,450.00
- 1854-O AU (55) Semiprooflike. Struck in yellow gold. One mark in the right obverse field; no others deserve mention. Very sharp for the date, especially on the reverse. Very scarce and underrated above EF; a true Unc. would rate a high R-7. 750.00
- 1856 MS (65) Although this date is certainly not on a par with many of the rarities recently listed, it is every bit as desirable. Condition-wise, this coin is remarkable. Its color is superb as is its strike and surfaces. An ideal type coin but a rarity in its own right. 2,650.00
- 1858 MS (63) Light-to-medium copper toning atop semiprooflike surfaces. Sharply struck and pleasing. An extremely underrated and rare date in this grade. 1,450.00
- 1868 MS (63) Fully prooflike. Some minor marks, as is typical with this date, but no serious problems. Certainly the flashiest example we've ever owned with its ample brilliance and orange-gold coloration. Very scarce; only nine Uncs. were traced by Akers. 2,950.00

QUARTER EAGLES

- 1870-S MS (63) A splendid example of this very scarce and notoriously weakly struck date. The surfaces are unusually choice and the strike is unlike anything we've ever seen for the date. Full luster adheres. The specialist will appreciate the "newness" of this coin; we estimate it to be amongst the two or three finest known for the date. 2,950.00
- 1879 MS (65) Light green-gold toning atop extremely choice surfaces. Fully lustrous and well struck. Scarce. 2,650.00
- 1884 Proof (67) Superb! Breen-1. 73 struck and possibly as few as 20 survive in an unimpaired state. This is a two-tone Gem with pleasing, unhairlined surfaces. In great demand as a date due to the rarity of business strikes but equally desirable as a type piece. 8,750.00
- 1893 MS (65) 1,750.00
- 1894 Proof (67) Superb! Breen-1. 122 minted. This two-tone Gem is one of the finest Proof Quarter Eagles we've ever seen. The glittering surfaces are pristine. The reverse is very close to a full "70" with no marks of any kind. 8,250.00
- 1902 MS (67) Superb! A very flashy coin. 2,250.00
- 1902 Proof (67) Superb! Breen-2. 193 minted. Very deep yellow toning with aqua and lilac hints atop its ultra-brilliant surfaces. Absolutely free of the usual hairlines, spots and/or cloudiness. A stunning piece of Proof Gold. 8,250.00
- 1905 MS (65) 2,250.00
- 1906 MS (65) 2,250.00
- 1907 MS (60) 475.00
- 1909 Proof (67) Superb! "Roman Gold" finish; 139 struck. Intense color with copper toning at the peripheries. The finest Proof Indian Quarter Eagle we've ever sold. 11,500.00
- 1911 MS (65) 1,950.00
- 1913 MS (65) 1,950.00
- 1914 MS (65) 1,950.00
- 1915 MS (67) Superb! Scarce. 2,400.00
- 1925-D MS (65) 1,750.00
- 1925-D MS (67) Superb! 2,400.00
- 1926 MS (65) 1,950.00
- 1928 MS (63) 650.00
- 1928 MS (65) 2,400.00
- 1929 MS (65) 2,400.00

THREE DOLLAR GOLD

- 1888 Proof (67) Superb! Deep yellow gold in full brilliance. Unblemished original surfaces which show careful Mint preparation — unlike many other Proof Three's of this era the overall appearance and quality of this coin make it the finest Proof Three we have handled in quite some time. With the current interest in superb quality gold, we expect this lovely piece to sell quickly. 15,500.00

HALF EAGLES

- 1835 AU (55) Head of 1836-7. Green gold. A pleasing problem-free coin. 950.00
 1840-O EF (45) Scarce. 575.00
 1859-C MS (63) Struck from worn dies. A problematical coin. Although no wear is evident, the reverse die has left the coin with a blurry, somewhat indistinct reverse. Even though the reverse is weak, it is probably twice as strong as the average 1859-C Half Eagle. Very possibly the finest known. 4,950.00
 1872 Proof (67) Superb! Breen-2. Only 30 Proofs struck. Certainly a legitimate R-7 with as few as nine survivors. This is a two-tone Gem. No hairlines or cloudiness detract and the overall visual impact of the coin is, to say the least, stunning. An extremely important Half Eagle. 19,500.00
 1891-CC MS (63) Somewhat baggy (as usual) but very well struck for the date. Scarce. 1,500.00
 1893 MS (65) 2,650.00
 1893-O AU (50) Scarce. 495.00
 1893-CC MS (65) Unlisted variety. Repunched mintmark; the second C shows especially dramatic doubling to the north. Deep coppery splashes have formed atop the clean lustrous surfaces. Scarce date in demand as the last-year-of-issue plus a heretofore unoffered rarity. 2,750.00
 1894-O AU (55) Scarce. 475.00
 1899 MS (67) Superb! 3,300.00
 1901 Proof (68) Superb! 140 struck but far scarcer than this figure would indicate. There is little that can be said about this coin other than the fact that it is awesome. All other words are unneeded hyperbole. A true prize for the connoisseur. 15,250.00
 1907 MS (65) 3,300.00
 1909-D MS (60) 575.00
 1909-D MS (63) 1,100.00
 1911 MS (67) 4,550.00

EAGLES

- 1801 EF (40) Breen 2-B. Lustrous and evenly worn with no defects. A virtual clone of the last EF (40) 1801 Eagle we offered. This should sell just as fast at 4,250.00
 1801 AU (55) Breen 2-B. Deep yellow gold with a few areas of copper present. Fully lustrous and more a victim of cabinet friction than actual circulation. An excellent type coin. 6,450.00
 1863-S AU (55) The finest known example of this rare date. Recently discovered in Europe and purchased there by our Continental buyer. When one considers that the previous finest known example was an EF, this coin's importance becomes obvious. It possesses full luster and is well struck. Some fairly extensive bagmarks are present but none are disastrous to the overall pleasing effect of this coin. It carries its own credentials in every respect and will become a cornerstone in its new owner's collection. 3,950.00

EAGLES

- 1890-CC MS (65) Semiprooflike. Struck in green-gold with some copper toning in the fields. Far less marked than usual and well struck. A very rare grade for this date. 4,750.00
 1891-CC MS (63) The rare "misplaced mintmark" variety; see 1982 ANA: 2695 for a description. Visually, a twin to the 1890-CC but a bit too baggy to be graded similarly. 1,750.00
 1892-O AU (55) 395.00
 1892-O AU (58) Scarce. 495.00
 1893-O MS (63) Quite choice with no major abrasions, good luster and nice color. Decidedly above average and rather scarce. 1,950.00
 1901 MS (63) 775.00
 1901 MS (67) Superb! A true Gem. 3,750.00
 1903 Proof (69) Superb! Breen-1. 96 minted but very few unimpaired survivors. What was said about the 1901 Half Eagle also applies to this breathtaking coin. It has, somehow, managed to survive 79 years completely unscathed. Unhesitatingly the finest known example of this rare Proof, and one of the most amazing coins we've ever handled. 19,500.00
 1901-S MS (65) 3,000.00
 1907 MS (63) Liberty. 775.00
 1907 MS (65) Liberty. 3,000.00
 1907 MS (63) Indian. 1,700.00
 1908-S MS (67) Superb! Deep pink toning at the centers; flamingly lustrous peripheries. Fully struck and exceedingly clean with no marks or rub on the cheek. Indian Eagle specialists know the importance of this date. An unbeatable combination of condition and rarity. 13,750.00
 1909-D MS (63) 1,100.00
 1909-S MS (60) 1,450.00
 1910-D MS (63) 1,100.00
 1910-D MS (65) Scarce. 3,450.00
 1911 MS (63) 1,100.00
 1911 MS (65) 3,250.00
 1911 MS (67) Superb! Fully struck. A coin which, at first glance, looks like a Matte Proof. An important type coin. 3,950.00
 1914 MS (65) 3,250.00
 1914-S MS (63) Scarce. 2,950.00
 1915 MS (65) 3,250.00
 1916-S MS (65) An extremely scarce date in strict choice Mint State. 7,750.00

DOUBLE EAGLES

- 1876-S MS (63) Fully struck and lustrous with pink toning at the centers. A legitimate Gem which is downgraded by some obverse abrasions. 1,950.00
 1882-CC AU (50) Fully lustrous and choice for the grade. Scarce. 1,350.00
 1883-CC MS (60) Fully prooflike; especially so on the reverse. Quite choice for the grade but in possession of enough light contact marks to make a "63" grade unrealistic. Scarce. 1,725.00
 1897 MS (65) 2,150.00
 1897-S MS (65) Prooflike. 2,250.00
 1900-S MS (68) Wonder Coin! Prooflike. This Double Eagle possesses the nicest color we've seen on a gold coin in some time. The centers are a vivid coppery-yellow while the peripheries display a light green hue. The surfaces are incredibly clean and the strike is remarkably bold. On eye appeal alone, this coin justifies its advance notices. 9,750.00
 1904 MS (65) 2,150.00
 1904 MS (67) Superb! 2,700.00
 1907 MS (63) St. Gaudens High Relief. Deep yellow gold. A High Relief's most important characteristic is its color. This specimen displays irresistible, charismatic color as well as nice surfaces. A good buy at. 8,950.00
 1907 MS (65) High Relief. 15,500.00
 1908 MS (63) With Motto. 1,750.00

 1922 MS (65) 1,700.00

 1924 MS (67) Superb! 1,950.00
 1925-S MS (63) 3,250.00
 1927 MS (69) Wonder Coin! A glittering exception to the rule that common date Saints have to be littered with myriad little marks. 3,150.00
 1928 MS (68) Superb! Virtually of the same quality as the coin above and every bit as desirable. 2,450.00

PATTERNS

- 1859 Proof (65) Judd-242. The Longacre Half Dollar with the so-called "cereal wreath" reverse. Copper. R.E. (R-4). Full red with minor mellowing on the high spots. Far choicer than usual for this attractive design. 3,450.00
 1869 VF (20) J-684. Nickel P.E. (R-4). Rough and rather ugly. 325.00
 1869 Proof (65) J-699. STANDARD SILVER Dime in Copper; three stars on cap. P.E. (R-6 in Judd but R-7 in our experience.) Fiery red obverse; vibrant brick red and brown reverse. An underrated design. 1,750.00
 1869 Proof (67) J-742. The STANDARD SILVER Half Dollar with an oak and laurel wreath on the reverse. Silver. R.E. (R-5). Deep natural grey with swirling iridescent undertones. Diagnostic engraver's lines are less obtrusive than usual. An exceptional example of this popular pattern. 1,650.00

PATTERNS

- 1870 Proof (68) J-910. Head of Liberty in a three-star Liberty Cap; STANDARD SILVER reverse with an oak and laurel wreath. Aluminum. R.E. (R-6). A fully brilliant example which is far superior to most Aluminum patterns due to its lack of planchet problems. 950.00
- 1879 Proof (65) J-1591. The rare and famous Barber "Washlady" Quarter. Copper. R.E. (R-7). Faded red and olive obverse; lovely mellowed red reverse. A traditional favorite of Pattern collectors and an infrequently offered piece. 2,450.00
- 1882 Proof (65) J-1690. The celebrated Transitional Nickel; regular dies of 1883. Nickel. P.E. (High R-6). Fully brilliant with a vague dash of golden-grey color. Nice obverse contrast. No planchet problems to speak of. In great demand with collectors and of obvious importance. 12,500.00

COMMEMORATIVE SILVER

Mint State (65)
